## Vermentino

2023 ✦ HUERHUERO VINEYARD ✦ PASO ROBLES

The fruit for this wine is hand selected from our estate Huerhuero Vineyard located in the rolling hills of Paso Robles. Planted as a trial, we soon discovered that this Italian variety responded extremely well to our local terroir and wanted to give it its own showcase.

The grapes were harvested at night to preserve the fruit's fresh flavors. Fermented both in small stainless steel tanks and neutral French oak barrels, the wine was aged sur lie for five months in these vessels to enhance the complexity and its characteristically rich mouthfeel. A balanced, food-friendly white wine.
